Bizerba bt service manual

Bizerba Stock #: 913010000

Precision Bread Slicer Agiloline

... B 100-1PM - variable slice warm breads, with fruits and nuts, soft loaves and hard crust breads...

B 103-1PM

Masterumproduct size
Wrigh 11.21* (300 mm), length 14.95* (320 mm), height approx. 5.91* (150 mm), reclangular 4.92* (125 mm)
An ergonomic handle ensures easy operation of the protective hood
Bagging until for guick and simple packaging of their cut bread
Optimized rotation speed. This means lower operation noises, smooth running, better sliding results, lessgeneration of heat
Its single means shuch an eakes the skort highly sublide for use in customer ratiosmics areas
Keys for high and low sliding speed
Loduble crunit hay
Easily slopsherd cust, softloans and semi bread

But dutyn and function

Smooth summing protective hood with sitting block guide.

Agilo/ine
